Jobs in Georgia

By 2024, 90% of the fastest growing jobs in Georgia will require at least a high school diploma or equivalent (such as the GED credential).

Sources: U.S. Census Bureau, 2011–2015 American Community Survey 5-Year Estimates; Georgia Department of Labor; Newton County Community Partnership Annual Report, 2017.

Newton County Community Partnership (NCCP), a GA Family Connection Collaborative, envisions a Georgia where all children are healthy, ready to go to school and to succeed when they get there; and where strong families contribute to vibrant, robust communities that thrive.

NCCP strategy teams plan for and implement interventions supporting high quality early life experiences, high school graduation, and school-to-work transitions that are critical to an individual's expectation of future employment or community investment.
